

5th International Conference on Research & Practices in Education

18-19 February, 2020 Faculty of Education, Allama Iqbal Open University,

December 04, 2019

Dear Sir/ Madam,

I feel great to share that it's the 5th year since we have been conducting Pakistan's largest Educational Conference in terms of number of participants between 300-500, each year. In past four years we have engaged more than thirty local organizations and more than 100 universities from around the world. The proceedings of the conference reveal that more than 500 research studies, projects, business ideas, innovative models have been presented as well as future challenges and way forward panel discussions were conducted. The best papers and ideas are further sent for publications and best practices are shared with the relevant departments for scaling up. Best start-up ideas were funded by the university and HEC.

We are now in the planning phase of 5th International Conference on Research and Practices in Education (ICRPE2020). This year the conference shall go live on AIOU-web TV and social media page "Life at AIOU".

Each year we open up call for sponsors in the following categories.

- **Platinum Sponsor:** Above Rs. 300000
Name shall be mentioned as sponsor of the event in all published materials.
- **Gold Sponsor:** Between Rs. 100,000 to Rs. 300,000
Name shall be mentioned on website and event banners and standee
- **Silver Sponsor:** Rs. 50,000-Rs. 100,000
Name and Logo shall be mentioned on the web and on a standee as sponsors

You may choose among three types of sponsorships.
